

HALAL EXECUTIVE

Duration: 2 Days

PROGRAM OVERVIEW

Halal industry is tremendously expanding not only food products but also consumer goods, cosmetics, personal care products, logistics and pharmaceuticals are now halal certified. To assure that the halal industry players have the same understanding and commitment towards halal and its requirements, Halal Executive Course is vital in accommodating the stakeholders demands, particularly the industries, authorities and even the consumers. Halal Executive programmes monitored by JAKIM are suitable for Halal Certified organization and company that is in the process of obtaining Halal Certification from JAKIM as Halal Authority. The module covers all the halal aspects such as Quality Management Systems: Requirements from Islamic Perspective, Malaysian Standards requirements as well as HAS, GMP and HACCP. The module will assist participants especially the Halal Committee Member/Halal Officer to practice and maintain the implementation of halal and its requirements. Furthermore, the audit exercise is in accordance with Halal Certification Process and Malaysia Halal Standards. Halal Executive is authorized under the management responsibilities based on JAKIM Manual Procedure for Malaysia Halal Certification and in accordance with JAKIM's Halal certification scheme.
